

**jefflowe\_tigerking** Why is Biden doing this to Joe? Did Biden provide Joe with his third illegal burner phone? Joe fucked around & found out....again. And BTW, that picture is a total fake. Joe took meat from the Walmart truck and put it under a rip in his pants. That tiger attack was a complete fraud. We have the video from Kirkham's hard drive to prove it. Amy, Tami, JT, give it up. He's never getting out. Especially with the wrap sheet he's building behind bars.
