leftonaplane2020 Kudos to this kid Brandon! I bet it wasn't easy for him to come forward.

e_m.i.l.y Thank you for posting this Jeff. This is typical of how victims are treated when they come forward. This is exactly WHY they don't come forward. And why they don't come forward sooner. They are already traumatized and then have to be emotionally ready to be traumatized again by the abuser and their cohorts. This is why their is power in numbers. #MeToo made a difference for so many women in Hollywood. It's time Joe is held accountable for the YEARS of abuse he put people through.
