jefflowe\_tigerking Why is it that neither Joe Exotic or John M Phillips will agree to debate me? You both LOVE to run your ignorant mouths ABOUT me, but you're both AFRAID of me. Joe, none of these wimpy pod-casts you're doing will get you anywhere near the publicity of debating me would. John M Phillips are you afraid we will ask you to verify the recent discovery we made indicating that a John M Phillips was arrested years ago for kidnapping and raping a young woman? You both need me to stay relevant. Let's do this. I'll pay your \$400 admission ticket Joe. Don't stand behind your meth dealer, come out of the closet and debate me.
