joeexotictigerqueen @johngatorfinlay How much longer are you going to allow this ungrateful man to keep disrespecting you like this publicly? Every interview Joe does is similar to this type of disrespect if not worse. its clear he is ungrateful for how you protect him. You were also a victim of his manipulation and disgusting perversion. Its not your fault. This is a public plea for you to finally come forward and put an end to this madness. Some victims have come forward but your voice is needed as well.
